

NAES Mentoring Program for New Chaplains Information and Application

An effective school chaplain can make an extraordinary difference in life of an Episcopal school. As pastor, priest, prophet, and teacher, the chaplain can serve as a binding, spiritual force, standing at the crossroads of faith and reason, individual and community, tradition and change...The need for chaplains who feel called by God to carry out a ministry in this unique context, and who live exemplary lives supported by prayer and service, has never been greater."

— NAES *Principles of Good Practice for School Ministry in Episcopal Schools*
