

# ST. STEPHEN'S

EPISCOPAL DAY SCHOOL - 1958

## Position: Elementary Teacher

St. Stephen's Episcopal Day School is a PK3-Grade 5 independent school in the Coconut Grove neighborhood of Miami, Florida. We are a vibrant community of curious learners and dedicated educators committed to academic excellence. We are seeking an outstanding Elementary Teacher who combines strong instruction and a genuine care for students.

### About the Role

A St. Stephen's teacher is responsible for creating a well-managed, engaging classroom environment where students are known, challenged, and supported. This role requires strong grade-level content knowledge, effective instructional planning and delivery, and a collaborative mindset. The ideal candidate values feedback, contributes positively to a team, and is committed to continuous improvement.

### Key Responsibilities

- Plan and deliver engaging instruction responsive to student needs.
- Build a strong classroom culture that supports student growth and independence.
- Collaborate with colleagues to strengthen lesson design, improve student outcomes, and contribute to a positive, connected faculty community.
- Use assessment to inform instruction, provide feedback, and adjust support or extension as needed.
- Differentiate and support learners to meet a range of learning needs.
- Communicate with families to create strong home-school partnerships.
- Leverage technology to enhance learning and prepare students with future-ready skills.
- Commit to professional growth by engaging in coaching, professional development, and reflective practice.

### Preferred Qualifications

- Bachelor's degree in Elementary Education or a related field required, advanced degree preferred
- Effective written and oral communication skills
- Comfort using technology for planning, teaching, assessment, and communication
- Commitment to ongoing improvement, feedback, and professional learning

### Why St. Stephen's

St. Stephen's offers a warm, collegial, and inclusive environment where excellent teaching matters and professional growth is expected and supported. We provide competitive compensation, comprehensive benefits, and meaningful opportunities to collaborate, learn, and contribute to a strong academic program.
